**Student Council News**

Student Council is doing a fundraiser for The Haley House Fund. One of our graduates, Peter Murphy and his family, received help through this organization. Peter Murphy, a 2009 graduate of St. Catherine’s School, is an airman in the United States Air Force. On December 11, 2018, Peter was in a car accident on Cannon Air Force Base located in Clovis, New Mexico. The accident left Peter a paraplegic from the waist down. The fact that Peter did not have any brain injuries was a miracle, he also did not have any punctured lungs, nor any internal injuries. After thirty-one days of rehab, Peter was transferred to a medical center and spinal cord rehab program located in Tampa, Florida. His mom traveled with him and there she met Mary Beth, a representative from the Haley House Fund. They provided Mrs. Murphy with housing and amenities, along with advice to help her son adapt to his new life. For the past six months Peter has been living in Middleburg, Ohio. The house he lives in has been modified by the Haley House to meet his needs and help him adjust to this new life style. He is now attending classes to finish an associate degree. Peter is very excited to attend Wright State University starting in the Summer or Fall terms. We will be raising money for this program throughout the year to help other injured warriors. Peter and his family are very blessed and thankful to have found a fund that will serve as an opportunity to help others.

The first fund raiser, for the Haley Fund, will be a bake sale on December 19th and 20th during school lunch.

**Snow Days and Emergency Closing**

In the event of inclement weather, St. Catharine School will follow the closing/delay schedule for the Oak Hills School District. However, bus transportation for St. Catharine students is provided by Cincinnati Public Schools. Bus riders need to listen for CPS delays and cancellations for bus transportation during inclement weather.

If school is cancelled for the day, the Latch Key program is cancelled. All St. Catharine related activities are also cancelled such as sports, clubs, dances and scout meetings.

**Notification of Snow Days and Other School Emergencies**

When school is closed due to inclement weather or due to another emergency, all parents will be notified using the ONE CALL system. This is an automated telephone system and a service provided to all Saint Catharine School families.
**8th Grade Families**

On Monday November 18 starting at 7:30pm Randy Wright will be taking pictures for the 8th graders athletics sports poster that are hung in the gym. Please go to Room 9 for the pictures and make your payment.

The cost of a poster is $15. You can pay by cash or check. Please make the checks out to SCAA.

Your 8th grader can choose whatever sports uniform he/she wants to wear. If your 8th grader wants to wear a St Catharine uniform from a sport that is not currently in action, I will have keys to the uniform closet and I will get them a uniform to change into for pictures.

I will have sports balls to take pictures with but if you have sport equipment that you would like your child photographed in please bring it.
