• Birthday Treats

Please remember birthday treats are only allowed to be one individually wrapped treat such as a cookie, a cupcake, or a brownie, etc. We are not having full blown birthday parties here at school for every child's birthday, that should be done at home. Here is an example of a pre-wrapped cupcake by Hostess that a student brought. Just the right size (remember the students already have a full lunch to eat) and it says birthday right on the package! Thanks for your understanding in this matter.
